

December 21, 2006

Attention: Residents of Worthington Mews

Dear Residents:

Please be advised that on **Wednesday, January 3, 2006** Image Asphalt will be in the community to mark and stripe the visitor spaces. **ALL vehicles must be removed from these spaces by 9:00am and may not return until after 4:00pm.** Please note that any vehicles that are not moved will be towed at the owners risk and expense!

Additionally, at the December Board of Directors meeting the Board signed the 2007 landscaping contract. That landscaping contract now includes the cutting of all homeowners' lawns in addition to the common areas. Should you choose to not have your yard mowed by the landscapers, then you must notify my office in order to be placed on the list of "not to mow".

The Board would like to remind all homeowners that any change to the exterior of your home must be approved by the architectural committee. A few homeowners did change their home's exteriors without approval. The Board is working with those homeowners to have the original condition and/or colors returned. In addition, the Board decided that any fines that resulted from rule violation would be turned over to the attorney after three months of non-payment.

Should you have any questions please feel free to contact me at the number listed below or by email at amccord@victorymgt.com.

Sincerely,

Amy McCord
Property Manager
