## NOTICE

RE: Exterior Changes

Dear Homeowner(s):

Please be reminded that any exterior changes require the approval of the Architectural Committee. There have been some recent changes that have been made that were not approved by the Architectural Committee. When approval is not granted for exterior changes and is not within the Rules, the homeowner(s) will be required to come into conformance with the documents.

Exterior changes include but are limited to changes in paint color and applications of sealant on decks. The documents only permit the use of a CLEAR SEALANT on decks. Decks that were stained will be required to come into compliance with the documents. This is an unpleasant experience for both the Board of Directors and the homeowner(s). Let's work together to avoid such unpleasantness in the future.

Respectfully,

Your Board of Directors  
Worthington Mews. Homeowners  
Association, Inc.
